ISWC2010

7-11 November 2010 • Shanghai International Convention Center

SPONSORSHIP OPPORTUNITIES

The Ninth International Semantic Web Conference

ISWC is the *major international forum* where the latest research results and technical innovations on all aspects of the Semantic Web are presented. As the Semantic Web is rapidly entering the mainstream, ISWC 2010 will pay particular attention to *showcasing scalable and usable solutions,* which bring semantic technologies to web users in authentic application settings. The International Semantic Web Conference (ISWC) series is organized and managed by the Semantic Web Science Association (SWSA).
