The Requirements Engineering Conference Series

The IEEE International Requirements Engineering Conference is the premier requirements engineering conference.
It grew out of two alternating biennial conference series, the IEEE Symposium on Requirements Engineering and the IEEE Conference on Requirements Engineering, which formally merged in 2002.

Past Conferences

http://www.rexx.org
xx=Jahreszahl

- 13th IEEE International Requirements Engineering Conference (RE'05), Paris, France, August/September 2005
- 12th IEEE International Requirements Engineering Conference (RE'04), Kyoto, Japan, September 2004
- 11th IEEE International Requirements Engineering Conference (RE'03), Monterey Bay, California, USA, September 2003

Conferences – The premier event: RE – 2

Submissions	Monterey Bay, California, USA, September 2003
Call for Papers and Proposals	● 10th IEEE Joint International Requirements Engineering Conference (RE'02), Essen, Germany, September 2002
Important Dates	Prior to 2002, there were two biennial RE conference series: the IEEE International Symposium on Requirements Engineering and the IEEE International Conference on Requirements Engineering.
The RE Conference Series	● Fifth IEEE International Symposium on Requirements Engineering (RE'01), Toronto, Canada, 2001

● Fifth IEEE International Symposium on Requirements Engineering (RE'01), Toronto, Canada, 2001

● Fourth IEEE International Conference on Requirements Engineering (ICRE'00), Schaumburg, Illinois, 2000

● Fourth IEEE International Symposium on Requirements Engineering (RE'99), Limerick, Ireland, 1999

● Third IEEE International Conference on Requirements Engineering (ICRE'98), Colorado Springs, Colorado, USA, 1998

● Third IEEE International Symposium on Requirements Engineering (RE'97), Annapolis, Maryland, USA, 1997

● Second IEEE International Conference on Requirements Engineering (ICRE'96), Colorado Springs, Colorado, USA, 1996

● Second IEEE International Symposium on Requirements Engineering (RE'95), York, UK, 1995

● First IEEE International Conference on Requirements Engineering (ICRE'94), Colorado Springs, Colorado, USA, 1994

● First IEEE International Symposium on Requirements Engineering (RE'93), San Diego, California, USA, 1993

All proceedings available in the IEEE Digital Library

Conferences – The next-tier event: RefsQ

- ❍ Annually

- ❍ Founded as a workshop in 1994

- ❍ Proceedings partially available:
  http://www.sse.uni-due.de/refsq/refsq06/resources.html

Other conferences

- ❍ Annual:
  - ● ICSE (International Conference on Software Engineering)
  - ● CAiSE (Conference on Advanced Information Systems Engineering)
  - ● APSEC (Asia-Pacific Software Engineering Conference)

- ❍ Biennial
  - ● ESEC/FSE (European Software Engineering Conference / ACM SIGSOFT Symposium on the Foundations of Software Engineering)
  - ● FSE (ACM SIGSOFT Symposium on the Foundations of Software Engineering)

- ❍ Commercial Conferences (for practitioners only)
  - ● RE-Days (a German event)   http://www.requirementsdays.de
  - ● REConf (also a German event)

Journals – The flagship journal: REJ

○ Requirements Engineering Journal (Springer)

○ Publishes research papers only

○ Geared towards an academic audience

Journals – The practitioner journal: IEEE Software

○ IEEE Software Magazine (IEEE)

○ Publishes practitioner-oriented research and experience
○ Geared towards practitioners

Journals – Other Journals

○ TSE – IEEE Transactions on Software Engineering (IEEE)

○ IST – Information and Software Technology (Elsevier)

○ SoSyM – Software and Systems Modeling (Springer)

○ Information Systems (Elsevier)

Access to Journals

○ All aforementioned journals are eletronically available in the UZH electronic journal library:
- Go to http://www.uzh.ch/services/libraries.html
- Click "E-Zeitschriftenbibliothek" near the bottom of the page
- works only from the domain uzh.ch

○ Available on paper in the library of the Department of Informatics:
- IEEE Software
- TSE (back to volume 1; early volumes on microfiche)

○ Available on paper in my office
- REJ (back to volume 1)

Access to Digital Libraries in Informatics

○ ACM Digital Library
